Dear Parent(s)

Warm Greetings!

Mother's Day is around the corner, and what better way to celebrate this special occasion than by expressing our love and gratitude for the incredible women in our lives? We are delighted to announce a **Poem Recitation Competition** for Grade-4 on **Thursday, May 9, 2024** dedicated to honoring mothers and mother figures everywhere. Participants are encouraged to choose poems that celebrate the essence of motherhood, capturing the selflessness, love, and sacrifices of mothers. Whether it's a classic piece or an original creation, each recitation should convey the depth of our appreciation for the remarkable role mothers play in our lives.

Guidelines:

- * Each participant will have 3 minutes to recite their chosen poem.
- * Judges will evaluate performances based on expression, delivery, and overall impact.
- * Let's come together to celebrate the unconditional love and boundless strength of mothers.
- * **To witness the same, we cordially invite the mothers of Grade-4 students.**

Looking forward to meet and greet you during this fantastic celebration.

Regards

(Principal)
