Grade – I to III
Subject – Mother’s Day Celebration

Date: April 29, 2024

Dear Mother(s)
Warm Greetings!

We are delighted to announce that Scholars Juniors will be celebrating **Mother's Day** on **Thursday, May 9, 2024** . This day is an opportunity for us to honor and appreciate the love, care, and sacrifices of mothers and mother figures in our lives. To make this day memorable, we have organized various competitions for our **Super Moms** like **Super Dancer, Ramp Walk** and **Super Singer**. We cordially invite the mothers for this special celebration to feel special and spend some quality time with their child and Scholars Juniors. You can enroll yourself in **any one** of the above mentioned categories and send the consent in your child’s almanac by **Thursday, May 02, 2024**.

We encourage all students to actively participate in the celebration and make this day a memorable one for their mothers. We look forward to your enthusiastic participation and support in making this Mother's Day Celebration a grand success and memorable day.

Warm regards

(Principal)
