EARTH WEEK CELEBRATIONS

Date: April 15,2026

Dear Parents,

Warm greetings!

With a commitment to nurturing environmental awareness, we are pleased to announce our **Earth Week Celebrations**. We are delighted to organize a series of thoughtfully planned activities that will inspire our young learners to appreciate, respect, and care for the environment.

Earth Week Activity Schedule:

- 20th April (Monday): Plant a Friend 🌱 🌸
- 21st April (Tuesday): Poster Making / Leaf Art Activity 🎨 ✋
- 22nd April (Wednesday): Save Water Activity 💧 📺
- 23rd April (Thursday): Nature Walk / Cleanliness Drive 🚶♂️ 🗑️ 🧹
- 24th April (Friday): Storytelling & One Good Habit Pledge 📖 ✨

We kindly request you to encourage your child's active participation 😊. **For the *Plant a Friend* activity, please send a small sapling 🌱 with your child on 20th April.**

Together, let us instil in our children a deep sense of responsibility towards building a greener and healthier planet 🌍.
We truly appreciate your continued support and cooperation.

Regards

Principal
