

Circular: SJS/28/26-27
Grade: II - V
Subject: Mango Seed Plantation Activity

Date: 16th July, 2026

We are excited to announce a **Mango Seed Plantation Activity** on **23rd July, 2026**. Students will learn how to plant and care for their own mango tree!

Please prepare a mango seed at home and bring it to school along with a pot.

Please follow these steps:

- a) Take out the seed carefully from a ripe mango.
- b) Dry the seed under sunlight for 2 days.
- c) Remove the hard outer husk carefully to get the inner seed.
- d) Bring the dried mango seed to school on **23rd July** for the plantation activity

What to Bring:

- a) Mango seed.
- b) A small pot (plastic or clay).
- c) An apron and gloves

Note: Soil and water will be provided by the school.

We look forward to a fun and green day!

Warm Regards,

Principal
